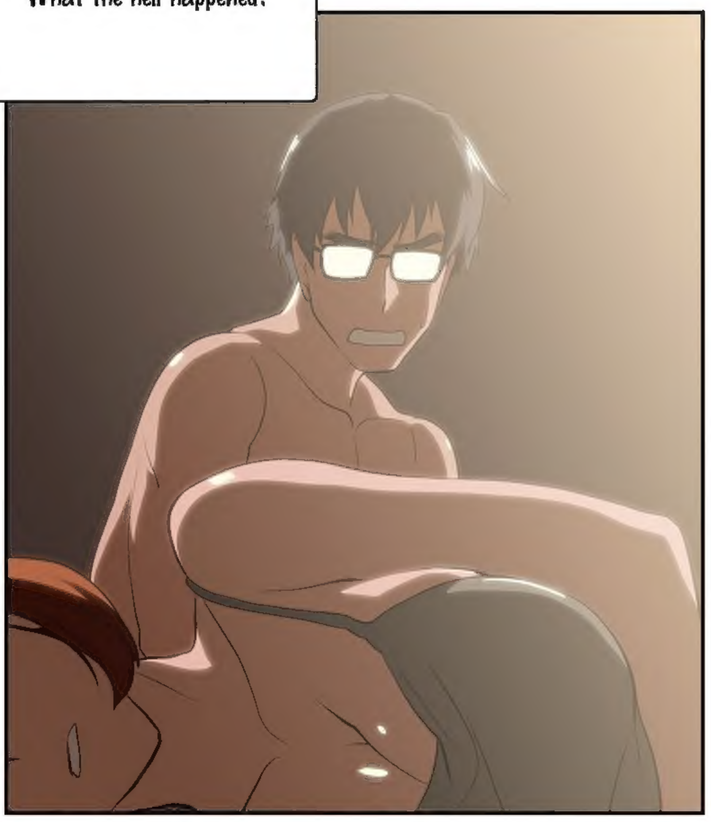
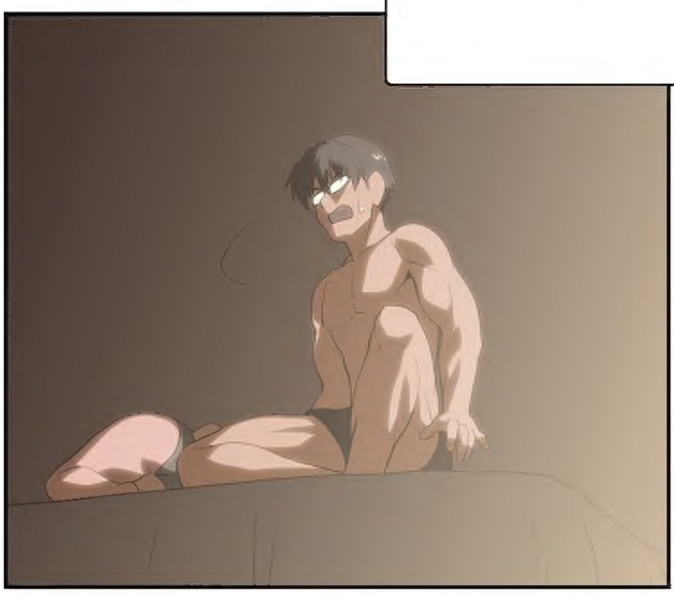
What the hell happened?



Seeing her like that makes me think she came here on her own will..

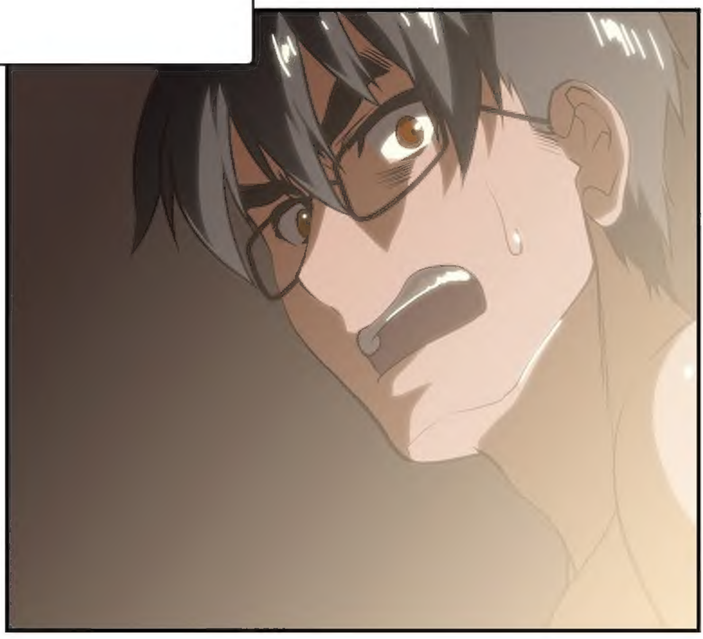
Why can't I remember anything!!

Wait a minute...



Where am I ?

This isn't my room?



Did I come to a motel?
With summer nuna?

Sung kee... you crazy bastard try to think..
what happened!

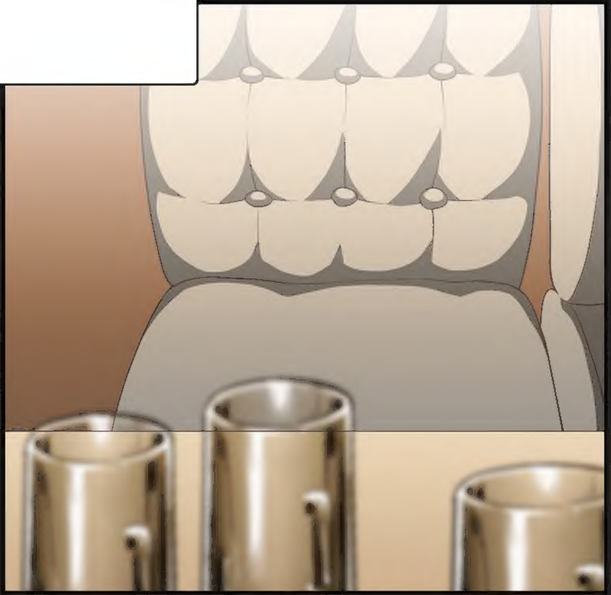
First, it all started
with ha young showing up all
fixed like that,

We all had a blast,

And I figured out that I got fooled by her again.

I was so pissed off, that I started pouring liquor in my mouth..

Ha young went home and the others did too...



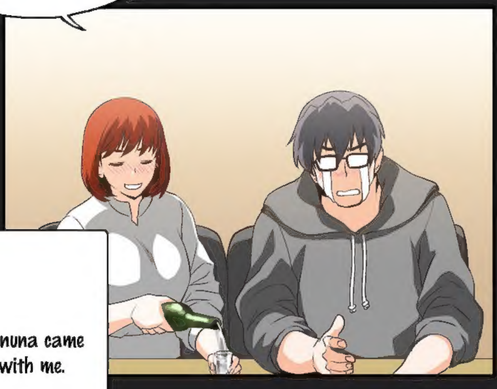
But one person stayed and drank with me.

Huh ikk... you bitch... ahhh...

Sung kee, what's wrong? Why are you drinking like that?

Sigh... this sucks...

I'm feeling down too, should we drink it out?

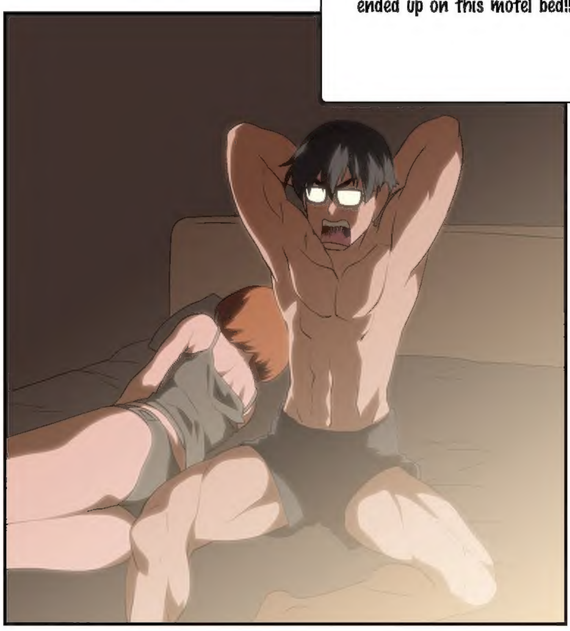


Yea. Summer nuna came and drank with me.

Because she was so good at drinking, she just forced me to drink with her.

Yea... we just hammered away shots and just got wasted.

And that's how we ended up on this motel bed!!



What am I going to do?
My mind is going blank...

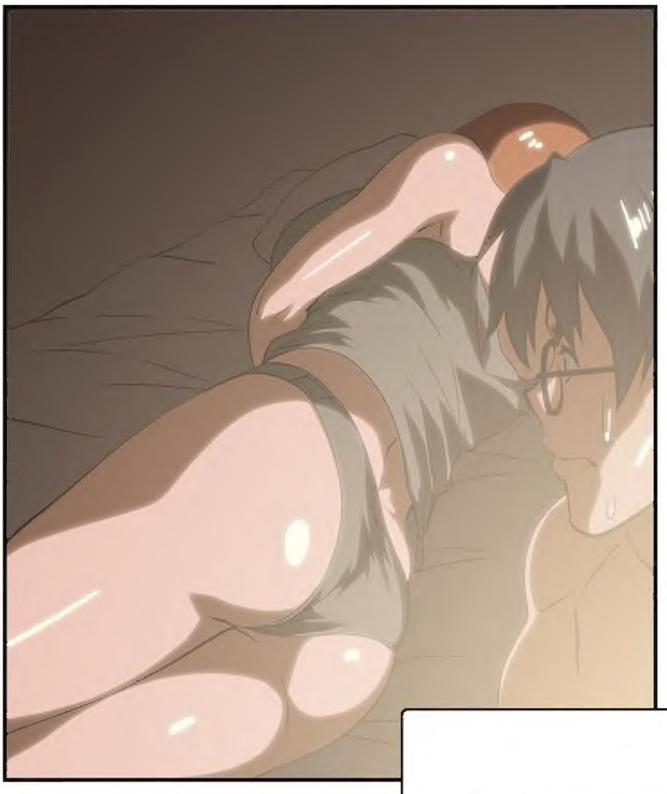
I can't believe I'm in this situation with summer nuna...

On top of that... isn't she sort of dating Han ju hyung?

Atleast... we're not totally naked. Thank god for that.

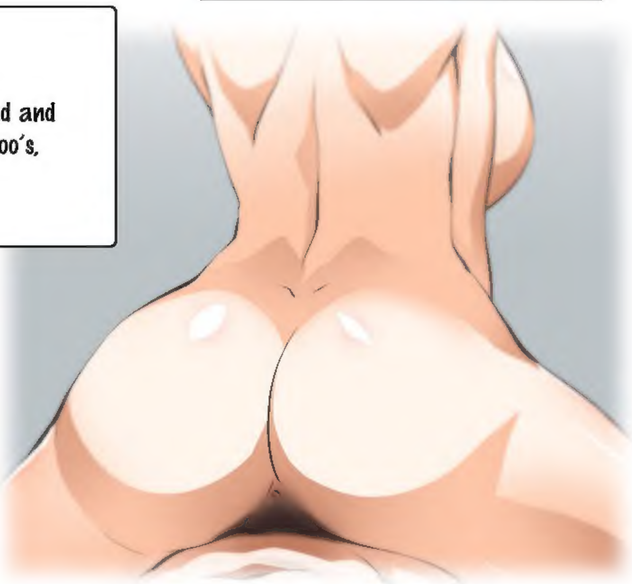
Yea.. she... still has her clothes on too. So, we're saved...

I'm saved...



Her ass...wow it's amazing..!

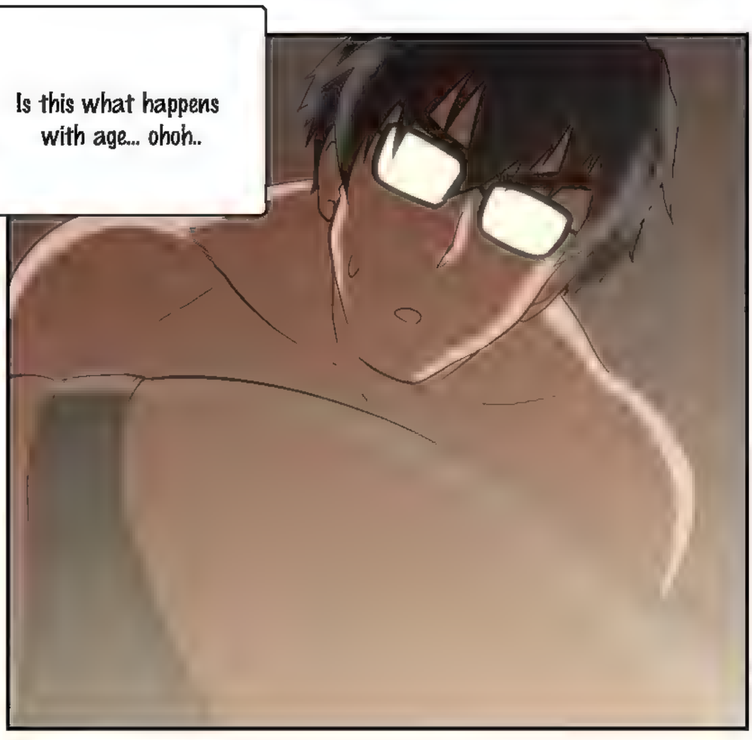
It's really round and full like ah joo's.



Ha young's ass was also really nice but,

Nuna's is on a different level somehow.

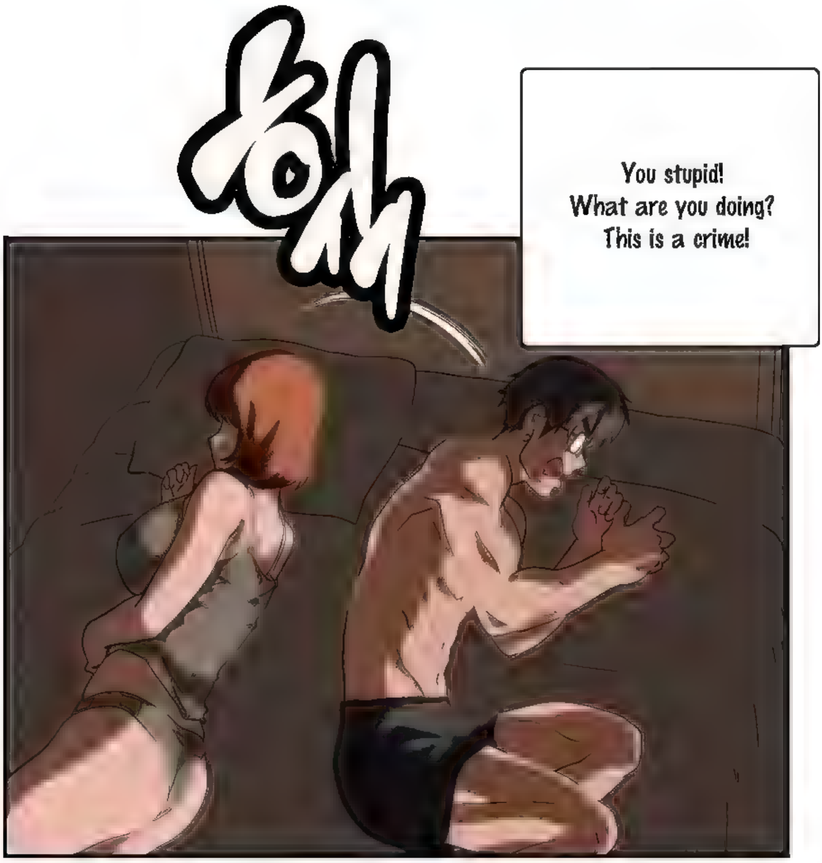
Is this what happens with age... ohoh..



It's like pulling me in...

Han ju hyung probably already had much fun with this...

Ah.. what a lucky bastard..

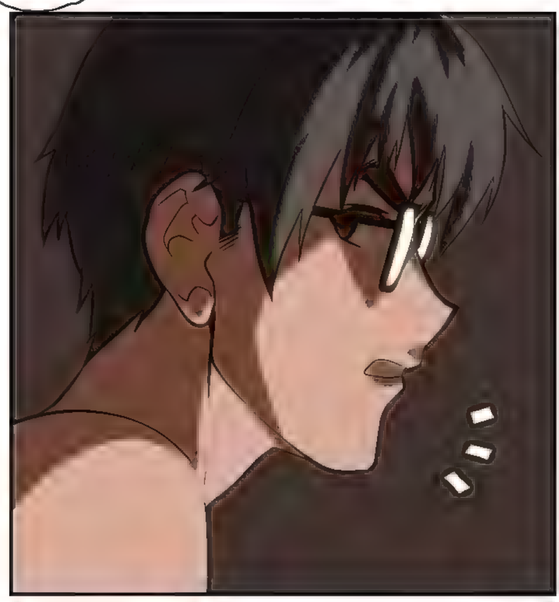


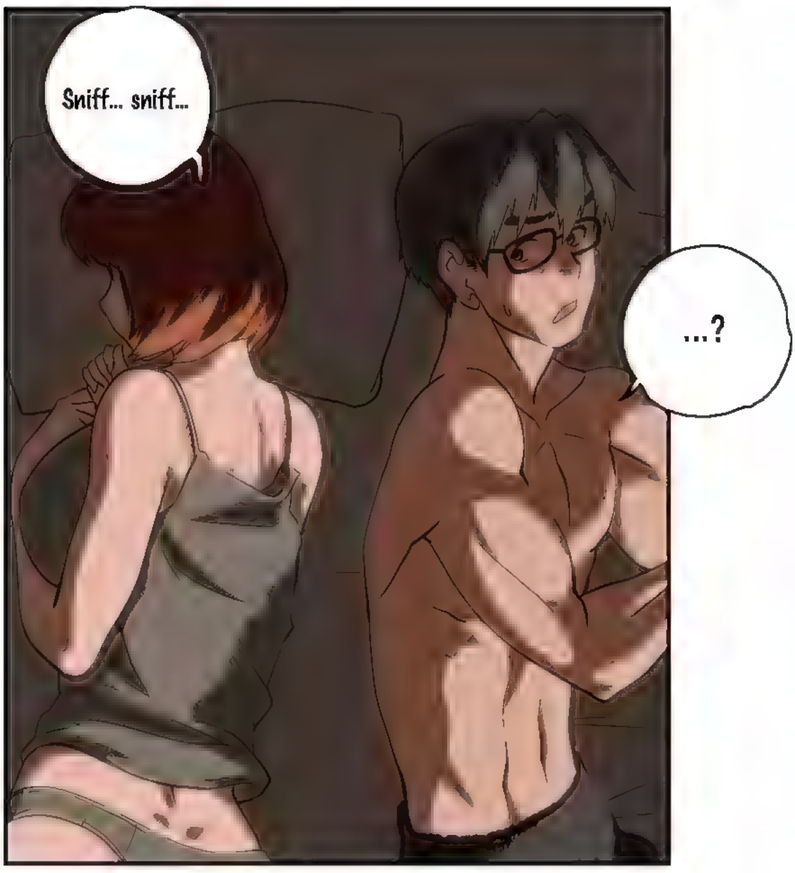
Ooh
You stupid!
What are you doing?
This is a crime!

Even though I've been living like there's no tomorrow lately, I should still try to keep sane!

Should I get dressed first and leave? Can I leave her here alone?

Huk... sniff...





Sniff... sniff...
...?

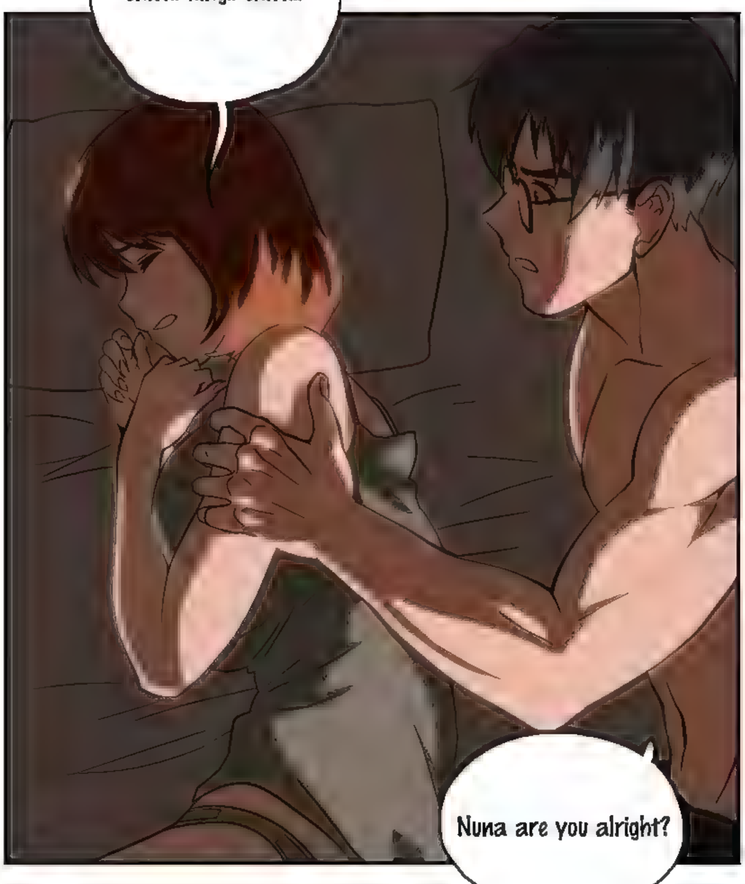
Ah... sniff...
Why, why is she crying?
Did I do something wrong?

Did she notice that just now?
Or did I mess up while I was drunk earlier?

Sniff.. hing..

Uh... nuna...

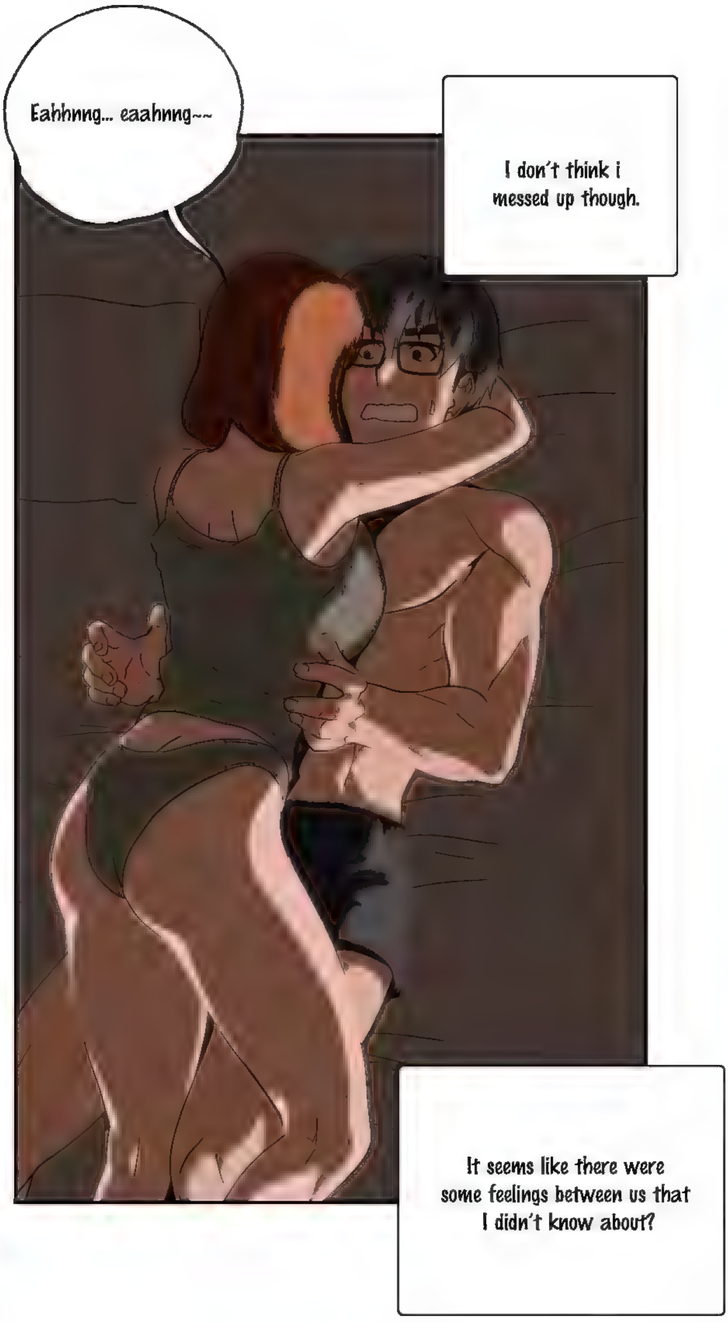
Sniff.. hing.. sniff...



Nuna are you alright?

Kuk!
Ahhhhg~~!!
와락

What, what the hell is going on?



I can remember some parts of us drinking...

What did we talk about earlier?

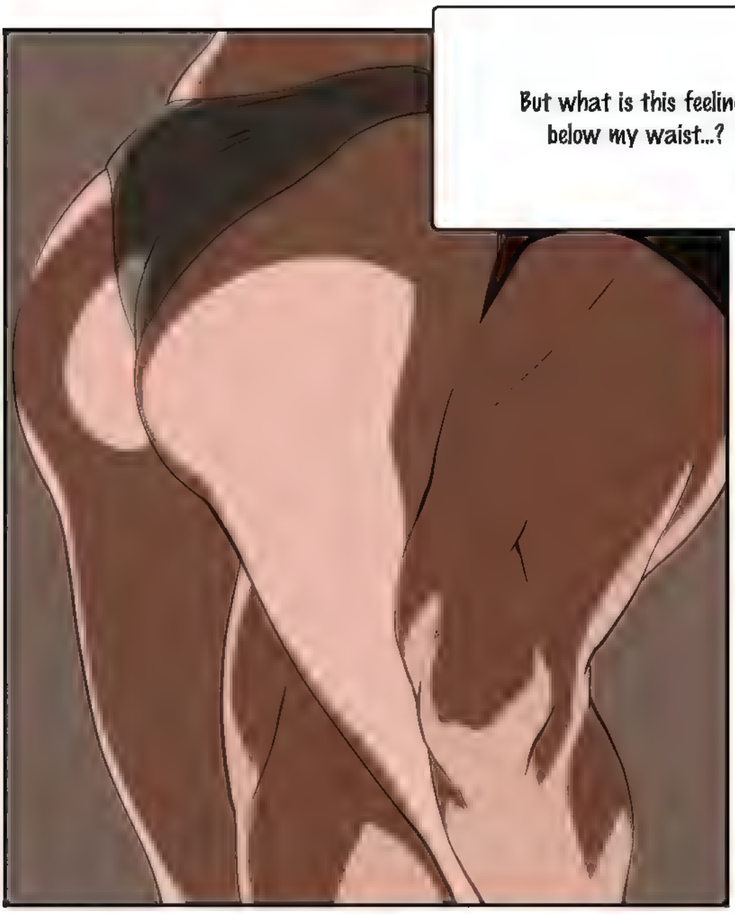
Has nuna...
fallen for me in that short amount of time..?

Sniff.. sniff..
don't go...

No... don't get things mixed up again..

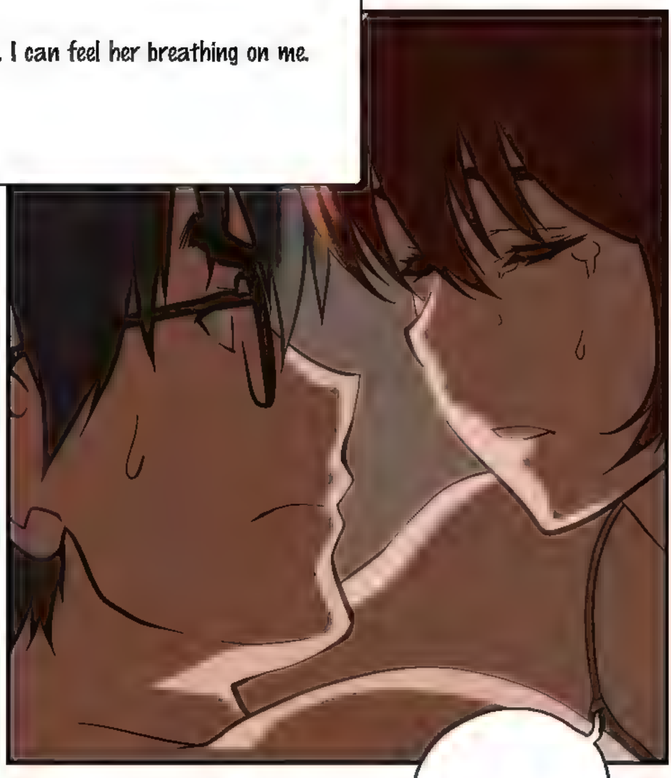
You bastard... damn...

The days of me over exaggerating needs to be buried with Ha young.



Can there be a more obvious situation?

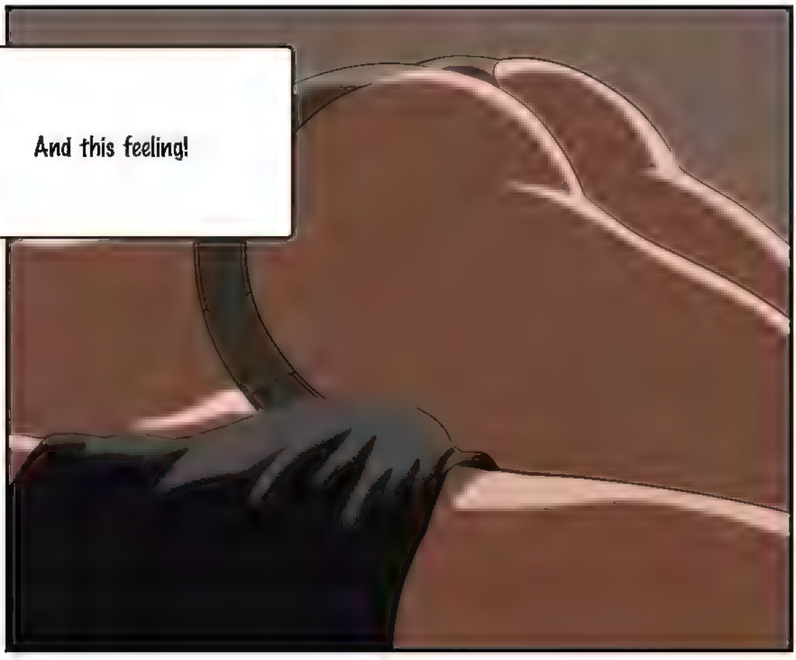
So close... I can feel her breathing on me.



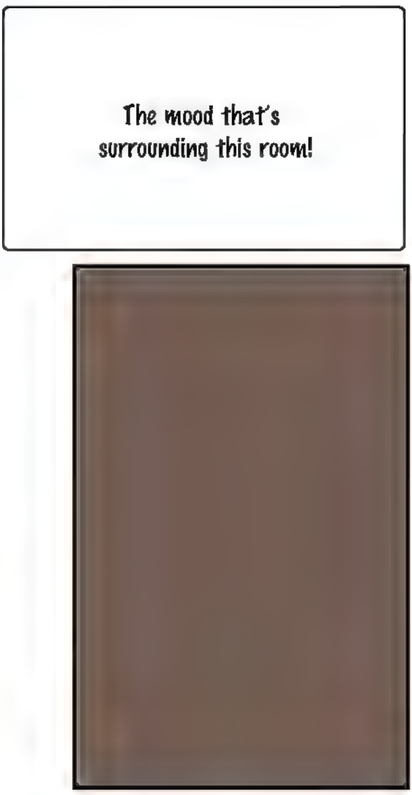
Sniff... sniff...

Her lips are right in front of me.

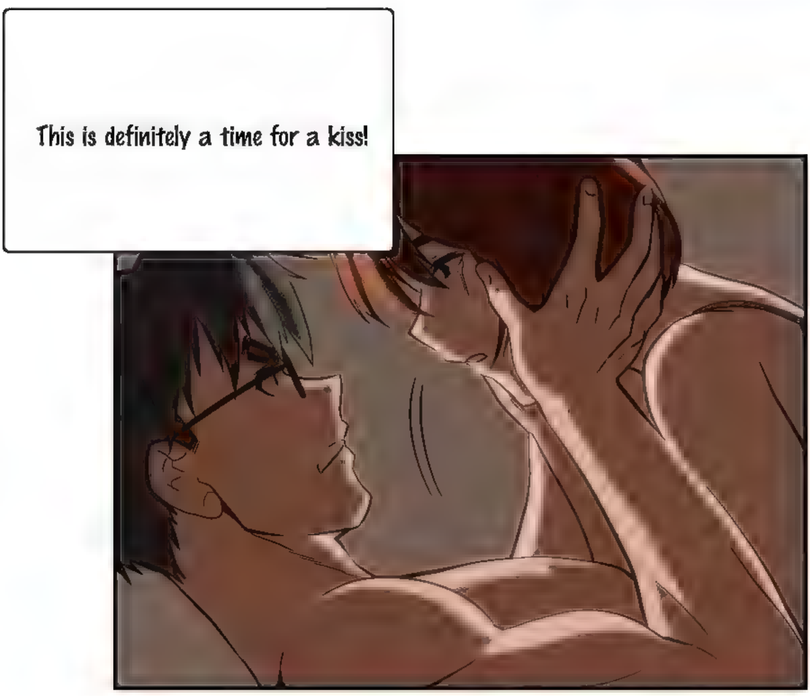
Her face. Her lips.



And this feeling!

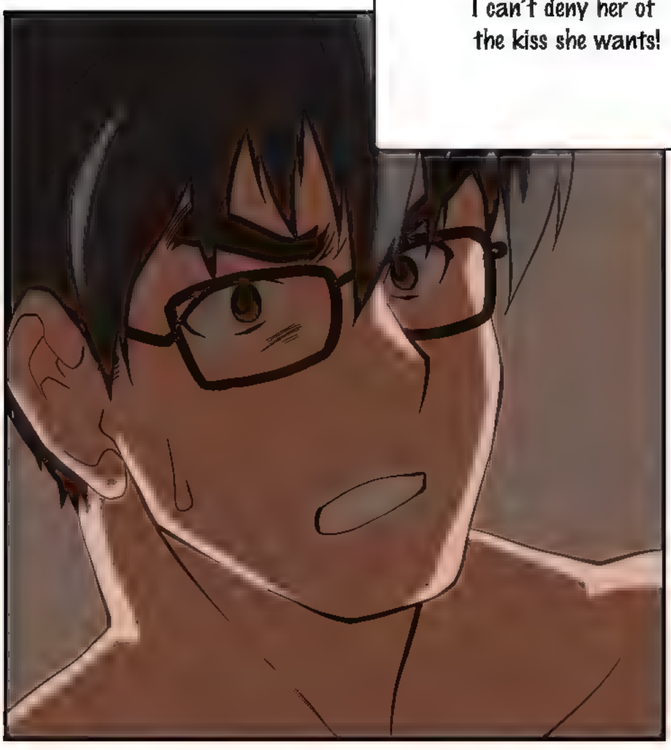


The mood that's
surrounding this room!

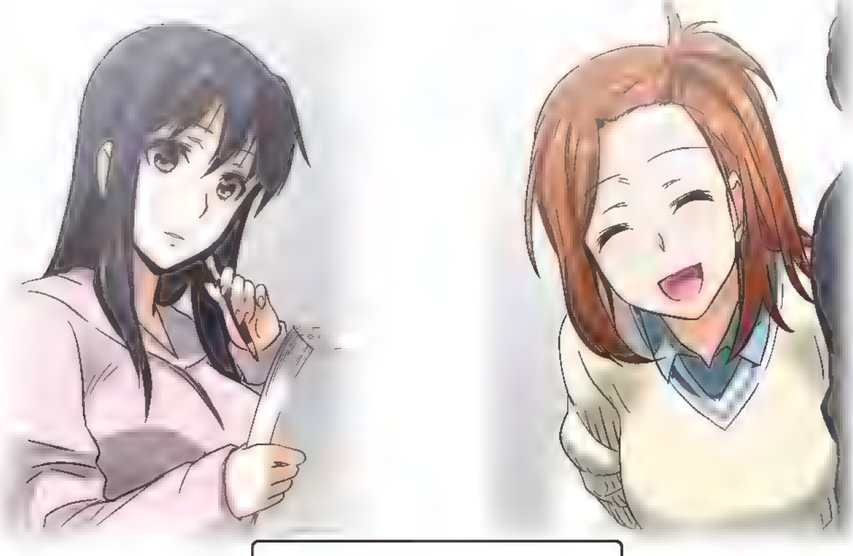


This is definitely a time for a kiss!

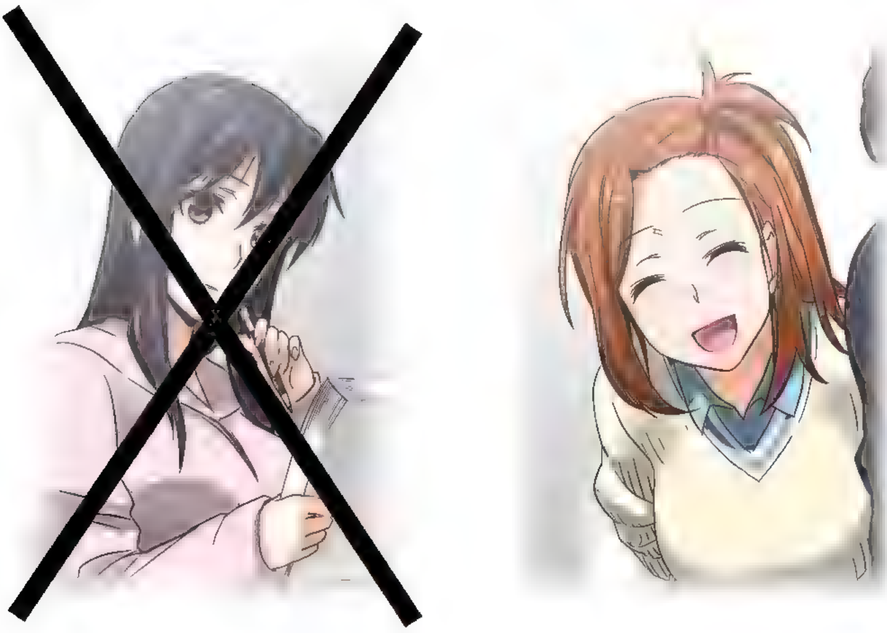
I can't deny her of the kiss she wants!

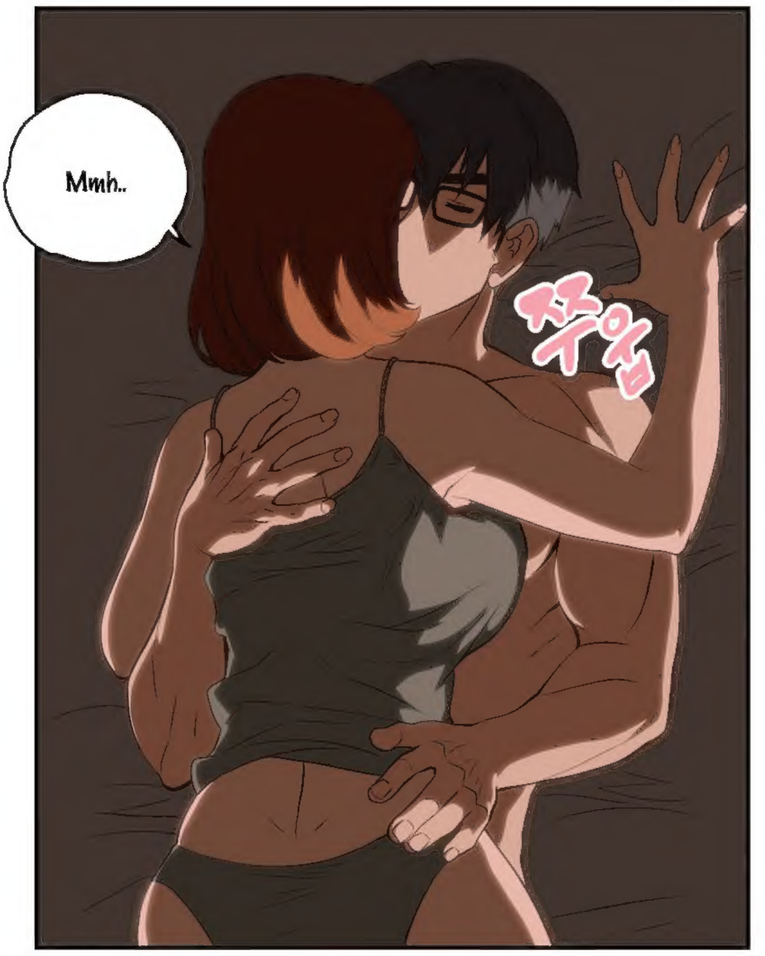


Ha young, Ah ju, I'm sorry.



No wait, cancel out Ha young.





Mmh..
